TO PLACE YOUR CHILD ON OUR WAITING LIST

1. Please fill out the waiting list form above and send it to the Saturday Course office with a photocopy of a recent report card and standardized test results for your child.
2. Write your child's name on the enclosed Teacher Recommendation form and give it to a present or recent teacher or principal at your child's school. Please ask her/him to send it directly to us in the attached envelope.

Doing this as far in advance as possible will help us process all the information we need in time. We will do our best to find a place for this student at the Saturday Course. We have been able to take many fourth grade students from our waiting list. If a student applies and does not receive a space, we will automatically put them on the fifth grade waiting list unless otherwise advised. Students who come to the Saturday Course are invited back again through the eighth grade.

We ask permission to contact a child's school to make sure each child is a good match for the Saturday Course.

Please call us (617-898-2275) a week or two after you have sent this form to make sure we have received it and to give us a chance to talk to you over the phone and answer any questions you might have.
