HOW CAN NJPA CONTRACTS BENEFIT MY AGENCY?

National cooperative contracts provide considerable time and resource savings for participating member agencies.

- Streamlines the contracting processes and maximizes efficiencies
- No need to establish and or duplicate bid docs or contract process
- Reduce the impact of staff reductions and budget cuts

WHAT IS THE VALUE OF MEMBERSHIP WITH NJPA?

Membership establishes a legal paper trail between the member and NJPA, justifying your contract purchasing decision. A no-cost, no-obligation NJPA membership provides access to competitively bid national cooperative contracts, procured by a national municipal contracting agency. Our contracts leverage national volume pricing and provide our members with the desired vendor choices.

- Ease and time saving benefits of purchasing through national contracts procured, awarded and hosted by a national municipal contracting agency
- Unique advantage to purchase quality products/services deserving of the agency

DOES NJPA SATISFY MY LOCAL BID REQUIREMENTS?

Every state government/education entity has a purchasing level at which public agencies are required to "go out to bid." NJPA has nationally solicited, evaluated and awarded contracts through a competitive bidding process on behalf of its members. These contracts can be leveraged by municipalities under the authority of NJPA's enabling legislation and your state's procurement laws and/or Joint Powers Authority. These laws allow access to NJPA's contracts and procurement process to satisfy your local/state bidding requirements, avoiding duplication of the process.
